

Dear businesses & sponsors!

We are excited to announce that the Pine Ridge Boosters will be bringing back the long standing tradition and much loved Hunters Jamboree! The event will take place on Sunday August 6th at Huntington Lake. In partnership with Elming Tree Service and China Peak Mountain Resort, we are excited to come back stronger than ever with the same beloved logging events, talented contestants, local vendors and showcase our amazing mountain community.

It is our hope that all the local businesses of Shaver and Huntington Lake participate in this amazing community event. We will be showcasing a business sponsor for each of the events.

We will be advertising from our own platforms, in addition to using the far reach of the Visitor's Bureau, China Peak pass contacts, The Mountain Press and radio to share your support and advertise the event for the best expected attendance.

The event will be matched with the Country Jam Concert at the same lakeside venue in Huntington Lake on Saturday August 5th, making it a full weekend of fun and exposure. Tioga-Sequoia Brewery will be sponsoring the Beer Garden and local food favorites including Duck Haus, Loretzeria Pizzeria, Dippin Dots and Funnel Cakes. Inside the festival area there will be local arts & craft vendors, face painting and even horseback riding for the little hunters in attendance.

The 100% of the proceeds of the event will be benefiting the Pine Ridge Boosters, a non profit that directly supports the students, staff and families of Pine Ridge School. Along with raffles, the Jamboree Queen Scholarship and more, a donation in any form or value is much appreciated. This is 100% tax deductible because we are a 501(c)3 organization - upon delivering a donation we can give you the Tax ID for your records.

We would love to have your participation. Please contact me so we can make this a successful event for everyone or return the included form via email or mail by 5/30/22.

Thank you,

Tess Erdman
